## **Attention Regional Members**

. . . each Region must submit their nominations for the Regional positions to the office no later than October 26<sup>th</sup> . A ballot will then be prepared for each electing Region and mailed or emailed (Election Buddy) with the State Executive Board Ballot. By placing the Regional Ballot in the same envelope (if mailed) as the State Executive Ballot the association will save postage and also ensure that each Regional follows the bylaws regarding Regional Elections, by paper ballot.
